Minister for Infrastructure, Transport and Regional Development
Parliament House
CANBERRA ACT 2600

Dear Deputy Prime Minister,

Airservices Australia Annual Report 2020-21

On behalf of the Board of Airservices Australia, I am pleased to submit to you the Airservices Australia Annual Report for the financial year 2020-21, as required under section 46 of the *Public Governance, Performance and Accountability Act 2013* (PGPA Act).

During 2020-21 we were accountable to the Australian Parliament and to the Australian Government through your portfolio as the Minister for Infrastructure, Transport and Regional Development. The Board, as the accountable authority of Airservices Australia, is responsible for preparing and submitting this report to you. It was endorsed at our meeting on 15 September 2021.

The report has been prepared in accordance with the requirements of the *Air Services Act 1995*, the PGPA Act, the *Public Governance, Performance and Accountability Rule 2014* (PGPA Rule), and other relevant legislation.

This report outlines the achievements and milestones met by Airservices, and includes a review of operations and financial statements for the year ending 30 June 2021.

The performance statement has been prepared to demonstrate our performance over the 2020-21 period against the Airservices Corporate Plan. It reports against our key performance measures and initiatives articulated within the Plan. The appropriateness of the performance statement was reviewed by Airservices Board Audit and Risk Committee at its meeting on 2 September 2021.

In the Board's opinion, the annual performance statements are based on properly maintained records, accurately reflect the performance of the entity, and comply with subsection 39(2) of the PGPA Act and section 16F of the PGPA Rule.

Yours sincerely,
